Artwork Basics
A general artwork guideline for best print results

- Electronic artwork may be submitted via CD, Zip disk or e-mail
- Preferred file types include EPS, TIF and PDF
- Minimum 600 dpi is recommended
- Save screened logos in grayscale in EPS, TIF or BMP format

- Black and white (hardcopy) artwork may be submitted by mail
- Copies or fax reproductions will not be accepted
- Graphic proof can be provided prior to production at an additional cost

Software Compatibility Guide

New software and versions will be released or changed periodically. If you have a software or version not listed in this guide, please call your Customer Service representative for the most current compatibility information. To view all colors, see page 13.
